

# HOW TO POST ON THE BLOG

Step 1: load up the blog page. Click log in in the top left corner.

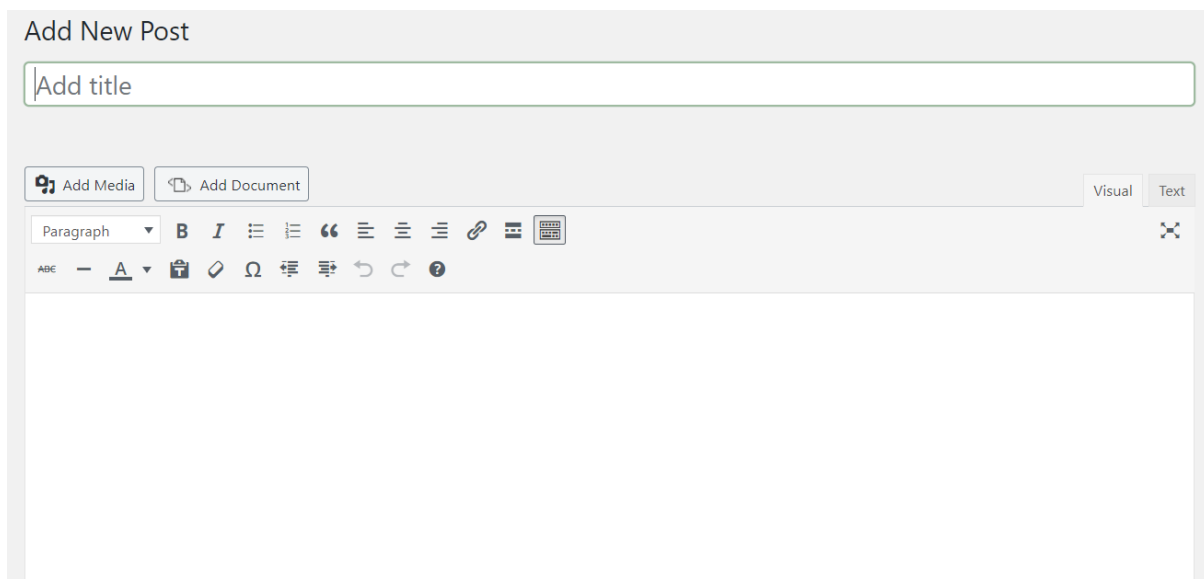

Step 2: put in our username and password details. Your class should have these.

A screenshot of the WordPress login form. At the top center is the WordPress logo (a blue circle with a white 'W'). Below the logo, the text 'Login with:' is followed by two blue buttons: 'Continue with Google' (with a white 'G' icon) and 'Continue with Clever' (with a white 'C' icon). Below these buttons is a horizontal line with the word 'OR' in the center. Underneath is a text input field labeled 'Username or Email Address'. Below that is another text input field labeled 'Password'. At the bottom left, there is a checkbox labeled 'Remember Me'. At the bottom right, there is a blue button labeled 'Log In'.

Step 3: On the dashboard at the top of the page, click + new. This will allow you to add a post.

Step 4: Add your new post with a title. Click add media if you want to add a saved picture or simply copy and paste it. Once you're finished, submit it for review and I can then approve it for the blog!

Remember: put your initials so I know who has posted it.
