

Well done to those of you who achieved certificates last week!

Let's get more certificates this week!

Just click on the link to get onto the Mathletics website...

<https://login.mathletics.com/>

It should look like this.....

The image is a screenshot of the Mathletics login page. At the top is the Mathletics logo and the text "A 3P Learning Product". Below this is the heading "Sign in Mathletics". There are two input fields: "Username/email:" and "Password:". Below the password field is a checked checkbox with the text "I agree to the [terms and conditions](#) to enter". Below that is an unchecked checkbox with the text "Remember my username/e-mail for future logins on this device". At the bottom of the form is a blue "Sign in" button and a link that says "Forgot your password?".

Then type in your username/email and your password.

Enjoy challenging yourself!
